Grants Overview

- Streamlined application and review processes - Spring and Fall grant cycles, 2 focus areas per cycle
- A grant proposal can:
 - Support programs or projects: existing programs or projects or new programs that target a specific population, last for a specific duration, and aim to achieve specific, measurable goals; and/or
 - Support capacity: strengthen or grow a nonprofit organization to improve its future performance, impact, and sustainability in support of its mission and vision, producing measurable results for the organization by the end of the grant period.
 - Both are considered Initiatives
- Proposals can be by single organizations or collaboratives
- Grant amounts will be based on membership levels and announced at the start of each grant cycle (January 10, 2022 for Spring Grants only)

Grant Application Process

Phase I: Grant Application

Phase II: Site Visit

Phase III: Presentation and Vote

Phase I : Grant Application

The Grant Application describes the proposed initiative, with supporting documentation, and should clearly answer what are you doing, who are you doing it for, when will you do it, and where and why are you doing it?

The Grant Application asks about six topics:

- Organization
- Initiative Description
- Goals, Measurement and Evaluation
- Funding and Sustainability
- Equity
- Collaborators

Required attachments include organizational financials, initiative budget, audit, Form 990, Board and staff information, and collaborator commitments. (Financial documents will be discussed in more detail later in this presentation.)

Phase II : Site Visit

Three organizations are selected by each Grant Review Committee for site visits

Applicants selected for a site visit will host members of the Grant Review Committee at their facility or a location of their choice (Site visits were conducted virtually in 2021 but may be in person for 2022)

Purpose: To meet the people behind the organization and gain first-hand observations and impressions

- Part 1: Introductions, tour, project overview
- Part 2: Panel interview / Q&A
 - Executive Director
 - Project/Program Director
 - Board Member
 - Financial Representative

Following the site visit each Grant Review Committee will select two Finalists to present at the Annual Meeting for Spring 2022

Phase III : Presentation and Vote

- Voting in the Spring may be done before or during the Annual Meeting
- If you are selected as a finalist, there will be a Finalist Training session on May 6, 2022, to give you all the information necessary
 - The Finalist Packet includes the Finalist cover letter, Finalist Report, and Initiative Budget
 - The materials are prepared jointly by Grant Review Committee (GRC) Chairs and the nonprofit and are provided to the full Impact Austin membership
 - The Finalist Packet could also include a video if voting is completed before the Annual Meeting; if voting is completed at the Annual Meeting, you will be asked to give a five-minute presentation that evening
- The nonprofit with the most votes in each focus area will receive a grant for 80% of the funding; the nonprofit with the second most votes will receive a grant for 20% of the funding
- Members and Finalists are notified during the Annual Meeting on June 6, 2022

[Log In](#) [Forgot your password?](#)

Need an Account?

[Sign Up](#)

You will see two options

- 1) Sign In
- 2) Need an Account?

- Most of you will use the “Log In” option—**only** use the “Need an Account?” option if your organization has never applied for an Impact Austin grant
- If your organization has previously applied for an Impact Austin grant, the organization has a Profile in the grant management system—do **not** use the “Need an Account?” option to create a duplicate Profile
- If you do not know (or want to change) the email or password associated with your agency’s Profile, email us at grants@impactaustin.org
- Your agency cannot have two emails associated with the Profile, but we can change the login to a new email and allow you to reset the password
- **Only** if your organization is new to Impact Austin, use the “Need an Account?” option, and you will create an agency Profile as part of the grant application process

Lessons Learned

Lesson 1: It will take time to gather and upload all the requested supporting documents that need to be filed with the Grant application. (All supporting documents must now be filed with the initial application.)

Lesson 2: It is important that you provide all of the requested financial information and that you take time in preparing your initiative budget—ask us if you have questions.

Lesson 3: If you accidentally create a duplicate agency Profile and the grants management system will not let you save your application because the agency's EIN is already associated with a Profile, STOP and contact grants@impactaustin.org. (We can fix it!) Do **not** attempt to alter the EIN and proceed.

Lesson 4: Grant recipients (Community Partners) receive a full membership in Impact Austin. A female representative from the organization is invited to participate on a Grant Review or other Impact Austin committee.

Financial Requirements

- All required financials documents (see slides 33 - 36) must be submitted by the due date—late submissions will **not** be accepted.
- Please double check your submission to be sure all required documents are included. Missing, incomplete, or incorrect financial documents will disqualify the NP for this cycle.
 - If you do not have data for a specific item (e.g., Collaborators, Litigation, Audit), upload a note stating that you do not have this data/it is not applicable.
 - Recommendation is to submit before the last day so there is time for you to doublecheck what you submitted.
- **If you have questions about the financial documents, please contact grants@impactaustin.org**

Required Financial Documents

- **Initiative Budget**

- The Initiative Budget focuses on the program, project, or initiative for which you seek the Impact Austin Grant.
- If the Initiative requires more funds than the Grant, use the Other Funds column to detail other funding sources.

- **An organization can support one or multiple "initiatives".**

- If the organization is requesting our funding for one distinct initiative for which no other funding is required, then the other funding column would be blank.
- If the organization only does one thing and it is requesting our funds to support that "initiative," then the other funding column would be the rest of the organization's budget for the same time period.
- If the organization does three things (three initiatives) and it is requesting our funds to support one initiative, then the other funding column would only be the other funding required to support that one initiative for the same time period.

Required Financial Documents

- **Organization Financials**
 - Current Year Organization Budget with Year-to-Date Actuals
 - Statement of Activities (Income and Expenses) for the most recently completed fiscal year
 - Statement of Financial Position (Balance Sheet) for the most recently completed fiscal year
- **Financial Narrative**
- **Audit (if available)** – a financial review or compilation is also acceptable
- **Form 990 (most recently filed)**
- **Funding Sources:** list entities (e.g. Foundations, Corporations, Governmental agencies, etc.) funding your organization for the current year and most recently completed fiscal year

Required Financial Documents

- **Board Information**
 - Listing of Board Members, including affiliations
 - Summary of Board demographics
- **Staff Information**
 - Current organization chart showing names and positions
 - Brief resumes of key staff, including qualifications relevant to the specific initiative
 - Summary of staff demographics
- **Insurance – Certificate of Insurance**
- **Litigation**
 - List of actual or threatened litigation or regulatory proceedings, investigations, or governmental actions involving your organization in the last two years, with a brief description of the basis for each
- **Collaborators (if applicable)**
 - Letter(s) of commitment from organizations collaborating on the Initiative

Financial Requirements

- **KEY AREAS TO REVIEW BEFORE SUBMISSION OF YOUR APPLICATION**

- On the Initiative Budget, Revenue less Expenses must equal zero, both for the Impact Austin Grant and Other Funding
- Budget term (one year or two years) must match the term of the grant application
- Budget amount on the Initiative Budget should equal the amount on the Proposal Cover Sheet
- FTEs associated with the Initiative should be included on the Initiative Budget
- In Kind Revenue should equal In Kind Expenses
- The Financial Narrative should explain key points about your financials that are not obvious to someone outside your organization

- **If you have questions about the financial documents, please contact grants@impactaustin.org.**
