COLLECTIVE GIVING

Impact Austin members pool individual charitable donations and decide collectively how to award strategic, high-impact grants. Our membership requirements are to identify as a woman and to donate $1,250 each year. We combine $1,000 from each member’s annual gift into a central fund, with grants determined after several rounds of evaluation and voting. The remaining $250 helps defray the costs for our Signature Events, education initiatives, and operations.
