

# Board Internship

The Austin Involved Board Internship Program cultivates the next generation of philanthropists and board members for Central Texas. Our nonprofits need diverse and informed community leaders to steward their missions. This collaborative partnership and multi-session virtual program explains how nonprofit boards work, grows leadership skills, and increases awareness about the diversity, equity, access, and inclusion deficits within the nonprofit sector. Topics covered by experts in the field include: the nonprofit cycle and board responsibilities, how to identify your cause, diversity and inclusion, as well as governance and fiduciary responsibilities.
