Grants Overview

• Streamlined application and review processes – Equity and Health & Well-Being grants will be awarded this fall.

• A grant proposal can:
  • Support programs or projects: existing programs or projects or new programs that target a specific population, last for a specific duration, and aim to achieve specific, measurable goals; and/or
  • Support capacity: strengthen or grow a nonprofit organization to improve its future performance, impact, and sustainability in support of its mission and vision, producing measurable results for the organization by the end of the grant period.
  • Both are considered Initiatives

• Proposals can be made by single organizations or collaboratives

• Grant amounts will be based on membership levels and announced at the start of each grant cycle (July 7 for Fall Grants)

• All finalists are awarded a grant and become Community Partners – primary award is 80% of total grant amount, secondary award is 20%

• 20% of the primary grant is unrestricted; all of the secondary grant is unrestricted

The Grant Finance Committee (GFC) consists of Impact Austin members with strong financial experience and skills who serve as financial consultants for the grant review committees in the review of financial information provided by the nonprofit organizations.
Girls Giving Grants (g3) is the youth version of Impact Austin. Each girl (in grades 8-12) gives $125 of her own money, with $100 of that amount allocated for the community grant. Girls are trained on many topics, including community needs and how to assess grants.

- Since 2006, g3 has awarded $115,600 in grant awards. The 2023 grant award was $8400.
- The g3 grant cycle runs concurrent with the school year. The application window is open for the g3 grant during the month of October. The recipient of the g3 grant is selected in April.
- Grant funds support youth programs in Travis, Hays, Williamson and/or Bastrop counties.
- Nonprofits may apply for this grant in addition to, and separately from, the Impact Austin grant process.
- Information about the g3 Grant is available at impactaustin.org/apply-for-g3-grants.

Grant Application Process

Phase I: Grant Application

Phase II: Site Visit

Phase III: Presentation and Vote
Phase I: Grant Application

The Grant Application describes the proposed initiative, with supporting documentation, and should clearly answer what are you doing, who are you doing it for, when, where and why are you doing it and how will you measure success.

The Grant Application asks about six topics:

- Organization
- Initiative Description
- Goals, Measurement and Evaluation
- Funding and Sustainability
- Equity
  - Diversity, Equity, Inclusion, and Belonging are important goals for Impact Austin. We want you to tell us how they are important for your organization too.
- Collaborators, if any

Required attachments include organizational financials, initiative budget, audit, Form 990, litigation, and collaborator commitments.
Phase II: Site Visit

Three organizations are selected by each Grant Review Committee for site visits.

Applicants selected for a site visit will host members of the Grant Review Committee at their facility or a location of their choice. Some site visits may be held virtually.

Purpose: To meet the people behind the organization and gain first-hand observations and impressions

• Part 1: Introductions, tour, project overview
• Part 2: Panel interview / Q&A
  • Executive Director
  • Project/Program Director
  • Board Member
  • Financial Representative

Following the site visit each Grant Review Committee will select two Finalists to present at the Town Hall Meeting for Fall 2023.
Phase III: Presentation and Vote

- Voting in the Fall will be done before the Town Hall
- If you are selected as a finalist, there will be a Finalist Training session on October 20, 2023, to give you all the necessary information
  - The Finalist Packet includes the Finalist cover letter, Finalist Report, Initiative Budget, and a brief video
  - The materials are prepared jointly by Grant Review Committee (GRC) Chairs and the nonprofit and are provided to the full Impact Austin membership
- The nonprofit with the most votes in each focus area will receive a grant for 80% of the funding; the nonprofit with the second most votes will receive a grant for 20% of the funding
- Members and Finalists are notified during the Town Hall on November 14, 2023

• All grant proposals must be submitted using the Impact Austin Grant Management System (Zengine)
• Access the Impact Austin Grant Management System with the following link: https://webportalapp.com/sp/ia_grant_application or go to the Grantmaking section on the Impact Austin website at www.impactaustin.org/grantmaking. (Look for this blue box: “Open Grants Management System”)
• Start applications early so we can assist with questions and issues!!
• If you have any questions, contact us at grants@impactaustin.org
You will see two options
1) Sign In
2) Need an Account?

- Most of you will use the “Sign In” option—**only** use the “Need an Account?” option if your organization has **never** applied for an Impact Austin grant
- If your organization has previously applied for an Impact Austin grant, the organization has a profile in the grant management system—do **not** use the “Need an Account?” option to create a duplicate profile
- If you do not know (or want to change) the email or password associated with your agency’s profile, email us at grants@impactaustin.org
- Your agency cannot have two emails associated with the profile, but we can change the login to a new email and allow you to reset the password
- **Only** if your organization is new to Impact Austin, use the “Need an Account?” option, and you will create an agency profile as part of the grant application process
**Lessons Learned**

**Lesson 1:** It will take time to gather and upload all the requested supporting documents that need to be filed with the Grant application.

**Lesson 2:** It is important that you provide all the requested financial information and that you take time in preparing your initiative budget—ask us if you have questions.

**Lesson 3:** If you accidentally create a duplicate agency profile and the grants management system will not let you save your application because the agency’s EIN is already associated with a profile, STOP and contact grants@impactaustin.org. (We can fix it!) Do **not** attempt to alter the EIN and proceed.

**Lesson 4:** Grant recipients (Community Partners) receive a full membership in Impact Austin. A female-identifying representative from the organization is invited to participate on a Grant Review or other Impact Austin committee.
